QUESTION 1: TRANSLATION (80 marks)

Translate into French

There is no tap in our school. So, students fetch water from a nearby stream. The road is usually slippery, and teachers advise us to walk carefully, especially with buckets of water on the head.

One Friday, we went there to fetch water to clean the classrooms. We had hardly begun when, suddenly, it started raining. We filled our buckets and decided to wait under a tree. The rain stopped about twenty minutes later.

The road was now very wet, and we walked slowly. One girl's phone rang, and she tried to answer the call. Serious error: she slipped, fell and broke her bucket. We all burst out laughing. Unfortunately, she could not get up! That is when we noticed that she had also broken her leg.

We decided to carry her. The principal was very angry. He never stopped warning us:
"Never take phone calls while doing something else!"
