This paper shall be evaluated on **80 marks**.

4 HOURS

INSTRUCTIONS TO CANDIDATES

1. Candidates must **PROVIDE** all the working required
2. The examination is schedule for four continuous working hours.
3. Candidates shall commence work at 8:00 am.
4. The interchanging of aid between the candidates shall not be allowed.
5. All Examination Materials shall **NOT** be carried home before the end of the examination.
6. This paper is weighted as 40% of the total subject marks.

You are reminded of the necessity for good English and orderly presentation in your answers.

DESCRIPTION

The drawing on the annex represents a **TEE-SQUARE** to be realized out of hard wood.

The joint between the stock and the blade is dovetail halving and screwed.

The blade is tapered at the underneath part and both edges chamfered.

You are expected to study the working drawing and construct a sample for prospection.
