Question 1 Translation (80 marks)

Translate into French

My neighbour Mr. LAH had a very beautiful daughter called MAYA who was sixteen years old. This girl was very hardworking and kind. She always smiled when greeting people. All of a sudden, she became very sad and wept regularly.

One day, I decided to ask her a few questions. Then I understood why she was unhappy. Her father had collected money from a certain businessman and was forcing her to marry this man. She refused categorically because she wanted to pursue her education. I encouraged her not to worry because I was going to solve her problem.

The next day, I went to the social welfare office with the complaint. Investigations started immediately and the father was called up. After discussion, he apologized and promised to return the money to this man. He also accepted to send MAYA back to school.
