1.2 *Brief History of the Board:*

The Cameroon GCE Board, which was created by Presidential Decree No 93/172 of 1st July 1993, organized its first examinations in June 1994 at the GCE Ordinary and Advanced Levels in General Education Subjects. The GCE Technical, Ordinary and Advanced Level examinations were organized for the first time in June 1995. By a Presidential Decree of March 1997, the GCE Board was authorized to organize the Baccalauréat Technique and related examinations in English for English speaking candidates. Although the names of these examinations were in French, questions were in English and candidates answered them in English, which was their language of instruction. Following Presidential Decree No. 2018/614 of 22 October 2018 to reorganize the General Certificate of Education (GCE) Board, the GCE Technical and the Baccalauréat Technique and Related Examinations in English were conducted for the last time in 2019. They have now been replaced by the following examinations:

- **Intermediate Technical and Vocational Education.**
- **Advanced Technical and Vocational Education.**
- **Professional Certification Examination**
